With only one owner and very low mileage for its year, this 2018 Nissan Pulsar DIG-T N-Connecta Style is a fantastic find. The car is equipped with a 1.2L petrol engine and meets Euro 6 emission standards. The N-Connecta Style trim comes with a host of features, including the Tech Pack, which provides parking assistance with a rear camera. Stay connected with Bluetooth telephone integration, and enjoy a comfortable ride with dual-zone climate control air conditioning. The intelligent key with a start push button offers keyless entry, and the LED headlights and signature provide enhanced visibility. This Pulsar stands out with its impressive fuel economy of 54 mpg, meaning lower running costs compared to similar vehicles. It also falls into a low insurance group, offering further savings. The large boot space is another advantage, providing ample room for luggage or shopping. The car can accelerate from 0-62mph in 10.7 seconds.
