With only one previous owner, this 2019 Porsche Macan S is a superb example of a performance SUV. The Macan boasts a powerful 3.0L petrol engine and a sophisticated four-wheel-drive system, all while meeting stringent Euro 6 emission standards. The vehicle is further enhanced by a range of premium features, including a panoramic roof system with an opening sunroof, allowing natural light to flood the cabin. Adaptive cruise control adds convenience to longer journeys, while the 20-inch Macan Turbo alloy wheels, finished in Jet Black Metallic paint, complement the car's athletic stance. The interior is equipped with a BOSE surround sound system, providing an immersive audio experience, and automatic headlight activation, including welcome home lighting, ensures enhanced visibility and safety. This Macan S stands out with its impressive acceleration, reaching 0-62mph in just 5.3 seconds, demonstrating its sporty capabilities. The car also benefits from a low insurance group, potentially offering cost savings. In addition, the vehicle offers a large boot space, making it a practical choice for those needing ample storage.
