With only 40597 miles on the clock, this 2017 Vauxhall Insignia is a rare find. As a SRi VX Line Nav variant, this Insignia comes with a 1.5L petrol engine and meets Euro 6 emission standards. The SRi VX Line Nav trim adds a sporty edge and enhanced features. Inside, you'll find a heated, leather-covered, three-spoke VX-Line design steering wheel with a flat bottom. The Navi 900 IntelliLink touchscreen navigation and infotainment system includes Android Auto, Apple CarPlay, and Bluetooth connectivity. Electronic climate control, including air conditioning, ensures a comfortable environment. The Driving Assistance Pack One, including front camera parking assistance, and the Sight and Light Pack, including automatic headlights, add convenience and safety. The large boot space is a real plus, offering ample room for luggage or shopping. The car's acceleration is impressive, reaching 0-60mph in just 8.4 seconds, making it a nippy performer compared to similar vehicles.
