With only one previous owner, this 2022 Volvo XC40 h T5 R-Design Pro is a great example of a modern SUV. The R-Design Pro trim complements the efficient 1.5L Petrol Plug-in Hybrid engine, which adheres to Euro 6 emission standards. It comes equipped with automatic LED headlights featuring active high beam and integrated day running lights, ensuring enhanced visibility. The driver benefits from a power-adjustable seat with memory function, which also remembers the exterior mirror settings. The comfort extends to all occupants with 2-zone electronic climate control, rear air vents, and heated front seats. Manoeuvring is made easier with rear park assist. The Volvo XC40 stands out with its practical design, including a large boot, making it ideal for families or anyone needing extra space. The array of features, such as the advanced lighting system and climate control, enhance the driving experience, offering a blend of convenience and sophistication.
