color:

Mileage:

19792

Transmission:

Automatic

Price:

£9,999.00

Registration:

AJ71OGD

Fuel:

Electric

With only one previous owner and low mileage of just 19792 miles, this 2022 Renault Zoe R135 GT Edition is a superb electric vehicle. The GT Edition trim comes packed with features to enhance your driving experience, including a heated leather steering wheel for those chilly mornings, front and rear parking sensors with a rear view camera to make parking a breeze, and wireless smartphone charging to keep you connected on the go. You'll also appreciate the convenience of automatic air conditioning and keyless entry. The Zoe's impressive 55 kWh battery offers a maximum range of 238 miles when new, meaning fewer stops on longer journeys. Charging is convenient, with a full charge at home taking approximately 9 hours and 25 minutes using a 7kW charger. For quicker top-ups, public charging can take the battery from empty to 80% in just 1 hour and 10 minutes. The large boot space means that this vehicle is more practical than other similar vehicles.
