With only one previous owner, this 2020 Audi A3 TFSI S line is a great example of a well-cared-for hatchback. The S line trim adds a sporty edge to this popular model, which is powered by a responsive 1.0L petrol engine and meets the Euro 6 emission standards. Enjoy modern conveniences such as rear parking sensors, making parking a breeze, and bright LED headlights with dynamic rear indicators for enhanced visibility. Stay connected with the Bluetooth interface and Audi Smartphone Interface, which includes Apple CarPlay. The dual-zone electronic climate control ensures a comfortable environment for both driver and passengers. The Audi A3 boasts a particularly large boot space, making it more practical than similar vehicles in its class. You'll also appreciate the fuel economy of around 51 mpg, which is better than you might expect from similar vehicles. Acceleration from 0-62mph happens in just 10.6 seconds, offering a balance of efficiency and performance.
