Petrol

The MINI Countryman John Cooper Works, registered in 2021, combines iconic design with modern technology. This particular model, with its John Cooper Works trim and a 2.0L petrol engine, comes with the added assurance of four-wheel drive. Having had only one owner and boasting low mileage of just 17818 miles, this Euro 6 emission class car is equipped with several desirable features. The Navigation Plus Pack includes Apple CarPlay, Bluetooth, and wireless phone charging, ensuring you stay connected on the go. Adaptive LED headlights provide enhanced visibility, while the electric seat adjustment with memory function allows you to find your perfect driving position with ease. The inclusion of the Driving Assistant Pack, complete with adaptive cruise control, makes longer journeys more relaxing, and the heated steering wheel adds a touch of luxury during colder months. This MINI Countryman stands out from similar vehicles with its impressive acceleration, reaching 0-62mph in just 5.1 seconds. This rapid performance offers a thrilling driving experience, setting it apart from other cars in its class.
