The 2019 Renault Captur TCe ENERGY GT Line is a stylish car with a 1.3L petrol engine and a GT Line trim. It comes equipped with front parking sensors, including parking assistance, and automatic climate control with a one-touch demist function. The reverse parking camera, which includes rear parking sensors and parking assistance, makes parking a breeze. Full LED headlamps provide excellent visibility, and the hands-free access with key card and start button adds a touch of convenience with its keyless entry. This Captur stands out with its impressive fuel economy of 44 mpg, meaning fewer trips to the petrol station and more money in your pocket compared to similar vehicles. It also boasts low CO2 emissions, making it a more environmentally friendly choice. This vehicle meets the Euro 6 emission standards, further reducing its environmental impact.
