With only 44148 miles on the clock, this 2018 Nissan Juke is a superb example of a well-maintained vehicle. As a DIG-T Envy variant with the Envy trim, this Nissan Juke is equipped with a 1.2L petrol engine and adheres to Euro 6 emission standards. Convenience is enhanced with features like the colour reversing camera, which includes parking assistance, and Bluetooth integration for telephone connectivity. The intelligent key with a start push button offers keyless entry, while the Xenon pack provides enhanced visibility with Xenon headlights. The automatic climate control, complete with a pollen filter, ensures a comfortable cabin environment. This Nissan Juke stands out with its impressive fuel economy of 49 mpg, offering savings at the pump compared to similar vehicles. It also falls into a low insurance group, making it an economical choice for drivers. Furthermore, its low CO2 emissions mean it's kinder to the environment, and potentially cheaper for road tax, than other cars in its class.
