This Ford Kuga ST-Line X, registered in 2020, combines sporty styling with practical features. The ST-Line X trim enhances the Kuga's appeal, and it's powered by a 2.0L diesel engine that meets Euro 6 emission standards. Equipped with the Winter Pack, this Kuga ensures comfort in colder months with heated seats and a heated steering wheel. The Driver Assistance Pack adds convenience and safety with BLIS (Blind Spot Assistance), Adaptive Cruise Control, and front and rear parking assistance with cameras. Further enhancing its features, the ST-Line X First Edition Pack includes a Head-Up Display, alongside BLIS, Adaptive Cruise Control, and parking assistance. The Ford Key-Free System offers keyless entry and start, and it rides on stylish 20in alloy wheels with a 5x2 spoke design in Pearl Grey. This particular model stands out with its fuel economy of around 57 mpg, meaning fewer trips to the petrol station. It also falls into a low insurance group, potentially saving you money on your premiums. Furthermore, its low CO2 emissions mean it is kinder to the environment compared to similar vehicles.
