Price:

£35,999.00

Registration:

AV74KYS

Fuel:

Petrol Hybrid

This is a 2024 Volkswagen Tiguan eTSI R-Line, a car that combines style and practicality. With very low mileage of just 2425 miles, this Euro 6 emission class vehicle is practically brand new. The R-Line trim adds a sporty edge, complemented by striking 20-inch York alloy wheels in a black-grey diamond-turned finish. Equipped with the Winter Pack, this Tiguan ensures comfort in colder weather with heated seats and a heated steering wheel. The Light Package enhances visibility with its LED headlights, while the Air Care Climatronic 3-Zone system, including rear air conditioning controls, provides a comfortable environment for all passengers. Navigating tight spots is made easy with Park Assistance Plus, featuring front and rear parking sensors. The Tiguan's large boot space makes it more practical than similar vehicles, offering ample room for luggage, shopping, or sports equipment. The 1.5L Petrol Hybrid engine achieves 0-62mph in just 9.1 seconds, making it faster than other similar vehicles and offering a blend of performance and efficiency for an engaging driving experience.
