With only 1164 miles on the clock, this 2022 Citroen Ami offers an almost new experience. As an electric car, it represents a step towards sustainable driving. Equipped with LED front headlights and rear lights, including LED headlights, it ensures visibility and a modern aesthetic. The panoramic sunroof adds an airy, open feel to the cabin, making every journey a pleasure. The Citroen Ami has a 6 kWh battery, providing a maximum range of 47 miles when new. Charging is convenient, taking just 4 hours at home with a 7kW charger. The inclusion of LED lighting and a panoramic sunroof enhance the driving experience, setting this vehicle apart from others in its class.
