With only 3589 miles on the clock, this 2022 Citroen Ami offers an almost-new experience. Being an electric car, this Ami provides an efficient and eco-friendly driving solution. Equipped with a panoramic sunroof, the interior is bathed in natural light, enhancing every journey. The inclusion of LED front headlights and rear lights not only provides a modern aesthetic but also ensures enhanced visibility on the road. The Citroen Ami has a battery with a total capacity of 6 kWh, offering a maximum range of 47 miles when new. Charging is convenient, with a full charge achievable in just 4 hours using a 7kW home charger. This makes it an ideal choice for those seeking a practical and economical electric vehicle.
