This is a 2022 Nissan Qashqai 1.3 DIG-T Tekna, a petrol hybrid car in Euro 6 emission class and only one previous owner. The Tekna trim comes with a host of features to improve your driving experience, including Android Auto and Apple CarPlay for seamless smartphone integration, and a blind spot warning system for enhanced safety. The heat pack, including heated seats and steering wheel, will keep you cosy on cold days, while the wireless phone charger ensures your device is always ready to go. The dusk sensor with automatic headlights adds convenience and safety to your journeys. The Qashqai boasts a large boot, making it more practical than similar vehicles. This is ideal for families, those who need to transport large items regularly, or anyone who appreciates extra storage space on their travels.
