First registered in 2023, this Citroen Ami is an all-electric car that combines innovative design with practical features. The Ami offers a fresh perspective on urban mobility. Equipped with a panoramic sunroof, the cabin is bathed in natural light, creating an airy and open feel. LED headlights and rear lights not only enhance the car's modern aesthetic but also provide improved visibility for safer driving. With a 6 kWh battery, this Ami achieves a maximum range of 47 miles when new, making it ideal for city commutes and short trips. Charging is convenient and straightforward, taking just 4 hours to reach full capacity using a 7kW home charger. The panoramic sunroof and LED lighting enhance the driving experience, setting it apart from other vehicles in its class.
