With only 52748 miles on the clock, this 2018 Land Rover Range Rover Autobiography is a superb example of a luxury four-wheel drive vehicle. The SD V8 Autobiography trim, combined with a 4.4L diesel engine, ensures a smooth and powerful driving experience. This vehicle meets Euro 6 emission standards. The Range Rover Autobiography boasts a range of features designed for comfort and convenience. The 24-way heated and cooled massage front seats, along with executive class rear seats, offer unparalleled comfort for both driver and passengers. The heated steering wheel adds a touch of luxury, especially on colder days. Parking is made easy with front and rear parking aid, while the Pixel LED headlights with signature DRL enhance visibility and safety. The head-up display keeps important information in your line of sight, allowing you to focus on the road. With a towing weight of 3500 kg and a large boot, this Range Rover is as practical as it is luxurious. The impressive acceleration, achieving 0-60mph in just 7.0 seconds, demonstrates how this vehicle offers performance that sets it apart from similar models.
