This 2018 Nissan Juke DIG-T Envy is a stylish and practical vehicle. The Juke Envy trim comes with a 1.2L petrol engine and a host of features designed to enhance your driving experience. Enjoy the convenience of automatic climate control with a pollen filter, ensuring a comfortable environment inside the car. Stay connected on the go with Bluetooth integration for your telephone. The Xenon Pack provides enhanced visibility with Xenon headlights, while the intelligent key with start push button offers keyless entry for added convenience. Manoeuvring is made easier with the colour reversing camera, providing clear visibility when parking. This particular model stands out with its impressive fuel economy of around 49 mpg, meaning fewer trips to the petrol station and more money in your pocket. It also falls into a low insurance group, making it an affordable option for many drivers. Furthermore, its low CO2 emissions mean you'll be contributing less to environmental pollution compared to similar vehicles. The Nissan Juke offers a blend of style, practicality and economy, making it a great choice for those seeking a well-rounded vehicle.
