Petrol

Here we have an Audi Q2 TFSI Black Edition, registered in 2020. As a car with only one previous owner, this vehicle comes in the Black Edition trim and is equipped with a responsive 1.0L petrol engine. It boasts several features designed for convenience and connectivity, including manual air conditioning to keep you comfortable, and a light and rain sensor for automatic headlight activation. Manoeuvring is made easier with rear parking sensors, while the Audi smartphone interface, compatible with both Android Auto and Apple CarPlay, ensures seamless integration of your mobile devices. The vehicle also features LED headlights with LED rear lights and dynamic rear indicators, enhancing visibility and adding a touch of modern style. This particular model is Euro 6 compliant, meaning it meets stringent emissions standards. With a fuel economy of around 45 mpg, this car stands out as an economical choice. The low CO2 emissions also mean that this car is better for the environment compared to similar vehicles.
