

2022 USED 62kWh 60 Auto 5dr (DC120kW)

color:

Mileage:

44039

Transmission:

Automatic

Price:

£17,000.00

Registration:

DE72BZR

Fuel:

Electric

This is a Skoda Enyaq 60, registered in 2022. As an electric car, it offers a modern driving experience. It comes equipped with a light and rain sensor, including an auto-dimming rear-view mirror and automatic headlights. The dual-zone climate control ensures a comfortable environment, and Bluetooth connectivity is included for your convenience. Stay connected with Skoda Connect iV Remote Services, which includes air conditioning control. Parking is made easier with rear parking sensors. Having had only one owner, this Enyaq 60 is ready for its next adventure. The Skoda Enyaq 60 boasts a large boot space, making it more practical than other vehicles in its class. With a 62 kWh total battery capacity, it has a maximum range of 246 miles when new. Charging at home using a 7kW charger takes approximately 9 hours and 30 minutes. For quicker top-ups, the fastest public charging time from empty to 80% is just 37 minutes, offering added convenience compared to similar vehicles with longer charging times.
