With only 827 miles on the clock, this 2023 Volkswagen T-Cross is practically brand new. As a TSI Black Edition, this Euro 6 compliant vehicle boasts a 1.0L petrol engine and comes in a Black Edition trim. It also benefits from having had only one previous owner. Equipped with a dusk sensor for automatic driving lights, including headlights that switch on automatically, this T-Cross ensures enhanced visibility. The manually controlled air conditioning system keeps the cabin comfortable, while the Ready 2 Discover infotainment system with Bluetooth provides seamless connectivity. LED headlights and front and rear parking sensors, including parking assistance, add to the convenience and safety features of this vehicle. This Volkswagen T-Cross stands out with its fuel economy of 46 mpg, meaning lower running costs than other similar vehicles. In addition, it falls into a low insurance group, offering further savings. The low CO2 emissions also mean that this vehicle is more environmentally friendly than others in its class.
