color:

Mileage:

53246

Transmission:

Manual

Price:

£13,058.00

Registration:

DG14UAA

Fuel:

Diesel

With only 53,246 miles on the clock, this 2014 Volkswagen Golf GTD offers an exceptional opportunity to own a vehicle with very low mileage for its age. The Golf, a TDI GTD variant, boasts a 2.0L diesel engine and meets the Euro 6 emission standards. The GTD trim adds a sporty edge to this practical hatchback. This Golf GTD comes equipped with several features that enhance the driving experience. The 19in Alloy Wheels - Santiago add to the car's aesthetic appeal, while Bluetooth Telephone Preparation ensures seamless connectivity. Parking Sensors, both front and rear, including Parking Assistance, make maneuvering in tight spots easier than similar vehicles. The ADC - Automatic Distance Control, which includes Adaptive Cruise Control, provides added convenience and safety on longer journeys, making this vehicle better equipped than others. The large boot space is a practical advantage, and the car's acceleration, reaching 0-62mph in just 7.5 seconds, demonstrates its impressive performance.
