With only one previous owner, this 2019 Volkswagen T-Roc S is a smart choice. The T-Roc, a stylish SUV from Volkswagen, comes in the TDI S trim and is powered by a 1.6L diesel engine. This vehicle meets Euro 6 emission standards. Equipped with halogen clear headlights that are range adjustable, it also features LED daytime running lights, including an automatic headlight function thanks to the dusk sensor. The interior is well-appointed with the Composition Media System, which includes Bluetooth connectivity, and climate control with 2Zone electronic air conditioning, automatic air recirculation, and an allergen filter. This particular T-Roc stands out with its impressive fuel economy, achieving around 50 mpg, and its low CO2 emissions, making it an environmentally conscious choice. Furthermore, it falls into a low insurance group, potentially saving you money on your premiums. The vehicle can accelerate from 0-62mph in just 8.6 seconds, offering a responsive and engaging driving experience.
