Fuel:

Electric

With only 26586 miles on the clock, this 2020 Nissan Leaf N-Connecta represents a fantastic opportunity to own a modern electric vehicle. As an N-Connecta trim, this Nissan Leaf comes equipped with a 40 kWh battery, offering a maximum range of 168 miles when new. Charging is convenient, with a full charge achievable in 7 hours 30 minutes using a 7kW home charger. For quicker top-ups, the fastest public charging stations can take the battery from empty to 80% in just 1 hour 20 minutes. The vehicle also boasts automatic air conditioning with climate control, Nissan i-Key with keyless entry, and intelligent cruise control with adaptive functionality. The intelligent auto headlights, complete with follow-me-home functionality and auto hazard lights, add an extra layer of safety and convenience. The inclusion of a heat pack, featuring heated seats and a heated steering wheel, ensures a comfortable drive in colder weather. The large boot offers a practical edge over similar vehicles, providing ample space for luggage, shopping, or other cargo.
