DU72AUV

Fuel:

Petrol

With only one previous owner, this 2022 Hyundai TUCSON is a great example of a well-cared-for vehicle. As a T-GDi Ultimate trim, this Hyundai TUCSON is powered by a 1.6L petrol engine and meets Euro 6 emission standards. The Ultimate trim includes a heated steering wheel for those frosty mornings, and three-zone climate control to keep everyone comfortable. The vehicle also features cruise control for effortless motorway driving, and Android Auto phone connection. For added safety, it comes with Blind Spot Collision Warning, including Blind Spot Assistance. This particular model stands out with its low insurance group, potentially saving you money on your premiums. In addition, the large boot space makes it more practical than similar vehicles, offering ample room for luggage, shopping, or equipment.
