This is a Volkswagen T-Cross SEL, registered in 2023. It boasts a 1.0L petrol engine and comes in the TSI SEL trim. This car is equipped with front and rear parking sensors, including parking assistance to make parking a breeze. Adaptive cruise control helps to maintain a safe distance on the motorway, while the dusk sensor ensures the automatic headlights come on when needed. The 2Zone electronic air conditioning, complete with automatic air recirculation and an allergen filter, ensures a comfortable environment for all occupants. The LED headlights provide excellent visibility, and this particular model has very low mileage, currently at 10,231 miles. With a fuel economy of 45 mpg, this vehicle offers a more economical driving experience compared to similar models. In addition to its fuel efficiency, it also benefits from low CO2 emissions, making it a more environmentally conscious choice.
