This is a Ford Kuga Titanium X Sport, registered in 2015. It boasts a 1.5L petrol engine and a four-wheel-drive drivetrain. The vehicle is also equipped with several features designed to enhance comfort and convenience, including rear parking sensors with a camera for easy manoeuvring, Bluetooth connectivity for hands-free calls, and Bi-Xenon headlights for improved visibility. Heated seats for both the driver and passenger ensure a comfortable ride in colder weather, and automatic headlights add an extra layer of convenience. This Kuga meets Euro 6 emission standards. The array of features makes this Kuga stand out. For example, the inclusion of both rear parking sensors and a camera simplifies parking in tight spots, offering more assistance than standard parking aids. The Bi-Xenon headlights provide superior illumination compared to halogen bulbs, enhancing safety during night drives. Furthermore, the heated seats offer a level of comfort often absent in base models, making this Ford Kuga a well-equipped and appealing choice.
