This is a Volkswagen T-Roc R-Line, registered in 2019. As a TSI EVO R-Line variant, it boasts a sporty trim and a responsive 1.5L petrol engine. This car has had only one owner and comes equipped with several features designed to enhance comfort and convenience. Parking is made easier with front and rear parking sensors, including parking assistance. LED headlights provide excellent visibility, while Car-Net App-Connect integrates your smartphone via Android Auto and Apple CarPlay. The Winter Pack, including heated seats, ensures a cosy ride during colder months. Additionally, the 2Zone electronic air conditioning with automatic air recirculation and allergen filter maintains a pleasant cabin environment for all occupants. This Euro 6 emission class vehicle stands out with its low CO2 emissions, making it an environmentally conscious choice. The car's acceleration is particularly impressive, reaching 0-62mph in just 8.4 seconds. This quick acceleration offers a more engaging and dynamic driving experience compared to similar vehicles.
