Manual

Price:

£15,558.00

Registration:

EJ70XBL

Fuel:

Petrol

This is a 2020 Jeep Compass 1.4L Petrol, the T Night Eagle variant in the Night Eagle trim. This car has had only one owner and boasts very low mileage of just 12,847 miles. It's also equipped with some great features, including a Winter Pack, with heated seats and a heated steering wheel for those frosty mornings. Keyless entry adds convenience to your journeys, while automatic headlamps ensure optimal visibility. The Uconnect system, featuring an 8.4in DAB radio with touchscreen, USB, AUX, satellite navigation, and Bluetooth, keeps you connected and entertained on the road. Parking is made easier with the ParkView rear back-up camera. This vehicle meets Euro 6 emission standards. The low mileage and single previous owner suggest that this Jeep Compass has been well-maintained and lightly used compared to similar vehicles of its age. The inclusion of the Winter Pack, keyless entry, automatic headlamps, advanced Uconnect system, and rear parking camera means that this particular vehicle offers a higher level of comfort, convenience, and technology than other comparable models.
