With only one previous owner, this 2022 Kia Niro 3 is a superb electric vehicle. The Niro 3 trim combines practicality with modern features, ensuring a comfortable and efficient driving experience. Equipped with an engine start-stop button featuring a smart entry system and keyless entry, convenience is at your fingertips. The heated steering wheel provides warmth on colder days, while the automatic headlight control and rear parking sensors enhance safety and ease of use. Dual temperature control, including air conditioning, allows for a pleasant environment inside the car. The Kia Niro's 68 kWh battery delivers a maximum range of 285 miles when new, meaning fewer stops on long journeys. Charging at home using a 7kW charger takes approximately 9 hours and 25 minutes, perfect for overnight replenishment. For those needing a quicker charge, public charging from empty to 80% can be achieved in just 43 minutes. The large boot offers ample space, making this vehicle more practical than others in its class.
