With only 36891 miles on the clock, this 2018 Nissan Pulsar DIG-T N-Connecta is a rare find. As a Euro 6 emissions class vehicle with a 1.2L petrol engine, this N-Connecta trim offers a blend of efficiency and practicality. The car is equipped with automatic headlights that include a dusk sensor for automatic activation, Bluetooth telephone integration, and a tech pack featuring a rear camera for parking assistance. Convenience is further enhanced by the intelligent key with a start push button, offering keyless entry, and dual-zone climate control air conditioning. This Pulsar stands out with its impressive fuel economy of 57 mpg, meaning fewer trips to the petrol station. The car's low insurance group can potentially save you money on premiums compared to similar vehicles. The large boot space offers ample room for luggage, shopping, or equipment. Furthermore, the car achieves 0-62mph in 10.7 seconds, demonstrating good acceleration for everyday driving.
