With only one previous owner, this 2022 Ford Focus ST-Line Vignale is a great example of a modern hatchback. The ST-Line Vignale trim complements the stylish design, while the 1.5L diesel engine meets Euro 6 emission standards. You'll appreciate the added convenience of automatic headlights and climate control, thanks to the DEATC - Dual-Zone Electronic Automatic Temperature Control. The Full Fixed LED Headlight with LED Daytime Running Lights not only look great but also improve visibility. This particular model boasts a Head-Up Display, projecting essential information onto the windscreen so you can keep your eyes on the road. The Winter Pack, including heated seats and a heated steering wheel, ensures comfort during colder months. The fuel economy is a real plus, achieving around 61 mpg, which means fewer trips to the petrol station compared to similar vehicles.
