With only one previous owner, this 2021 Renault Zoe R110 Play is a great choice for those seeking an efficient and well-equipped electric vehicle. The Zoe Play trim offers a comfortable and practical driving experience, complemented by features such as automatic headlights, which include automatic activation for enhanced convenience. The Renault Keycard with handsfree entry adds a touch of modern convenience with its keyless entry system. You'll also appreciate the sleek and energy-efficient full LED headlights with C-shape DRL, ensuring excellent visibility and a distinctive look. The inclusion of manual air conditioning keeps the cabin comfortable, making every journey a pleasant one. One of the car's key advantages is its impressive new battery range of 245 miles, meaning you can travel further on a single charge compared to similar electric vehicles. The spacious boot provides ample room for luggage, shopping, or anything else you need to transport, making it more practical than other cars in its class. The 55 kWh battery can be fully charged in approximately 9 hours and 25 minutes using a 7kW home charger, allowing for convenient overnight charging and ensuring you're always ready to go.
