With only one previous owner and very low mileage for its 2024 registration year, this Nissan Juke Tekna+ presents an excellent opportunity. The Juke, with its Tekna+ trim, features a 1.6L Petrol Hybrid engine and meets Euro 6 emission standards. It comes equipped with LED headlights, ensuring clear visibility on the road. The intelligent key system offers keyless entry with walk-away lock and approach unlock functions, adding a layer of convenience to your daily routine. Manoeuvring is made easier with the rear-view camera, and staying connected is simple with Bluetooth connectivity and USB A+C ports. This particular model stands out with its impressive fuel economy of 59 mpg, meaning fewer trips to the petrol station and more money in your pocket. Further enhancing its appeal are its low CO2 emissions, making it an environmentally conscious choice, and its low insurance group, which can lead to significant savings on your annual premiums. The inclusion of a heat pack, featuring heated seats and a heated steering wheel, ensures a comfortable driving experience, even on the coldest days.
