Presented in excellent condition, this is a 2021 Mercedes-Benz A Class A250e AMG Line. As a car with a 1.3L Petrol Plug-in Hybrid engine, it benefits from a Comfort Suspension, ensuring a smooth and refined driving experience. The vehicle is equipped with several advanced charging features, including a 7.4 kW rated AC Charging System, a Mode 3 charging cable for wall boxes and public charging stations, a Radar-Based Recuperation system, and a Charging Socket. Having been driven a very low mileage of 26037 miles, this Euro 6 emission class vehicle is ready to deliver efficient and reliable performance. One of the standout features of this particular model is its impressive acceleration, reaching 0-62mph in just 6.6 seconds. This demonstrates its superior performance capabilities when compared to similar vehicles in its class, offering a blend of efficiency and responsiveness that enhances the overall driving experience.
