With only one previous owner and very low mileage of just 4141 miles for a 2024 registration, this Tesla Model 3 represents an excellent opportunity. Being electric, this vehicle offers a modern driving experience, complemented by a host of features designed for comfort and convenience. Enjoy the ease of Easy Entry with Keyless Entry, stay connected with Bluetooth, and keep your devices charged using the two inductive charging mats. The Advanced Climate Controls, including climate control, ensure a comfortable environment, while heated rear seats add a touch of luxury for passengers. The Model 3 boasts a large boot space, making it more practical than similar vehicles. The battery has a total capacity of 62 kWh, providing a maximum range of 344 miles when new, so you can undertake longer journeys with confidence. Charging is convenient, with a full charge achievable in 8 hours using a 7kW home charger. For those needing a quicker top-up, the fastest public charging time from empty to 80% is just 29 minutes.
