With only one previous owner, this 2023 Tesla Model Y Long Range is an excellent choice for those seeking a blend of performance and practicality. As an all-electric, four-wheel-drive vehicle, it offers a smooth and responsive driving experience. The Long Range trim ensures you're well-equipped for any journey, and you can enjoy modern conveniences such as wireless phone charging, heated rear seats, and automatic LED headlights. Stay connected on the move with Bluetooth connectivity for music and media. The Model Y boasts a large boot space, making it ideal for families or anyone needing extra room for luggage or equipment. The impressive battery provides a maximum range of 331 miles when new, so you can travel further with confidence. Charging is convenient, with a full charge achievable in 12 hours using a 7kW home charger. For those needing a quicker top-up, public charging can take you from empty to 80% in just 25 minutes. The rapid acceleration, achieving 0-60mph in just 4.8 seconds, demonstrates how this vehicle delivers thrilling performance alongside its practical features.
