This A3 is the SE Technik trim and is powered by a 1.6L diesel engine, meeting Euro 6 emission standards. The car comes equipped with desirable features such as xenon headlights with LED daytime running lights, ensuring great visibility. The driver and passengers will appreciate the convenience of manual air conditioning and a Bluetooth interface for seamless connectivity. Parking is made easier with rear parking sensors, and the auto-dimming rear-view mirror, combined with light and rain sensors, adds an extra layer of convenience. This particular model stands out with its low insurance group, making it an economical choice for drivers.
