With only two previous owners, this 2019 Mercedes-Benz E450 V6 AMG Line is a superb example of a well-maintained vehicle. Boasting a 3.0L petrol engine and four-wheel drive, this E Class combines performance with practicality. The AMG Line trim adds a touch of sporty elegance, while the Euro 6 emission class ensures it meets modern environmental standards. Equipped with the Premium Plus Package, this vehicle offers a range of advanced features, including Android Auto, Apple CarPlay, a branded sound system, and LED headlights. Navigating tight spots is made easy with Active Park Assist, front and rear parking sensors, and a reversing camera, while Blind Spot Assist enhances safety on the road. Enjoy the comfort of automatic two-zone climate control and the luxury of a panoramic sunroof. The inclusion of keyless entry, memory seats, and wireless phone charging adds further convenience. The large boot space and low insurance group make this vehicle a practical choice, offering both ample storage and potential cost savings compared to similar vehicles.
