Fuel:

Diesel

This 2020 Audi Q5 Vorsprung combines practical features with a touch of luxury. The vehicle is a desirable four-wheel drive model, equipped with a 2.0L diesel engine and meets the Euro 6 emission standards. The Vorsprung trim adds a range of features designed to enhance your driving experience. The vehicle includes a light and rain sensor, which automatically activates the headlights. The Bluetooth interface ensures seamless connectivity for your devices. The parking assistance pack, complete with BLIS blind spot assistance and a 360-degree camera, makes parking effortless. The comfort and sound package includes keyless entry, a luxury branded sound system, and a rear camera for added convenience. Heated front and outer rear seats provide extra warmth and comfort during colder months. The large boot space makes this vehicle ideal for those needing to transport bulky items. Acceleration from 0-62mph in 8.1 seconds means that this vehicle is faster than other similar vehicles.
