With only one previous owner and low mileage of just 14677 miles for a 2023 registration vehicle, this MG MG4 Trophy Long Range represents a great find. As an electric vehicle, this model offers a modern driving experience. The trim is Trophy Long Range. Among its features, you'll find the convenience of a wireless mobile phone charger, ensuring your devices stay powered on the go. Seamless smartphone integration is provided through Android Auto. Climate control maintains a comfortable cabin environment, while auto headlights and projector LED headlights with reflective technology enhance visibility and safety. The 64 kWh battery provides a maximum range of 270 miles when new, which means fewer stops on longer journeys. Charging is convenient, with a full charge achievable in 10 hours using a 7kW home charger. For those needing a quicker top-up, public charging can take the battery from empty to 80% in just 34 minutes. The vehicle also boasts a large boot space, making it more practical than similar vehicles for carrying luggage, shopping, or equipment.
