

2024 USED 51kWh GT Auto 5dr (7.4kW Charger)

color:

Mileage:

3435

Transmission:

Automatic

Price:

£18,058.00

Registration:

HT24UYO

Fuel:

Electric

With only one previous owner and very low mileage of just 3435 miles for a 2024 registration, this Peugeot E-208 GT represents a superb opportunity. As an all-electric vehicle, this E-208 boasts a 51 kWh battery, offering a range of up to 248 miles when new. The GT trim adds a touch of sporty sophistication to this already stylish hatchback. Convenience is enhanced with the PEUGEOT Open and Go System, including keyless entry, and a 15W wireless charging plate for your smartphone. Inside, the PEUGEOT i-Cockpit features a 10-inch configurable colour 3D head-up instrument panel, providing essential driving information at a glance. Wireless Mirror Screen, compatible with Apple CarPlay and Android Auto, ensures seamless smartphone integration. The Visibility Pack, including automatic headlights, adds to the ease of driving. Charging is convenient, with a full charge at home taking approximately 7 hours 30 minutes using a 7kW charger, while public rapid charging can replenish the battery from empty to 80% in as little as 30 minutes. These features combine to make this vehicle a compelling choice in the electric vehicle market.
