The 2024 Lotus Eletre offers a blend of luxury and performance. This electric four-wheel drive vehicle is equipped with a host of features designed for comfort and convenience. Enjoy the open feel of the glass roof, complete with a panoramic sunroof, and the sophisticated look of the 22in alloy wheels. The interior is tailored for comfort, featuring 4-zone electronic climate control and 12-way electrically adjustable front seats with memory function. Safety is enhanced with blind spot detection. With a substantial 112 kWh battery, the Eletre achieves a maximum range of 332 miles when new, meaning fewer stops on long journeys. Charging at home using a 7kW charger takes 16 hours and 40 minutes, perfect for overnight top-ups. For quicker charging on the go, it can achieve an empty to 80% charge in just 22 minutes at the fastest public charging points. Acceleration from 0-62mph in 4.5 seconds means you'll be ahead of the pack. Plus, with a towing weight of 2250 kg and a large boot space, this vehicle is as practical as it is stylish.
