Petrol

The 2018 Maserati Levante V6 is a four-wheel drive car equipped with a 3.0L petrol engine and meets Euro 6 emission standards. It comes with Bi-Xenon front headlamps, integrated LED daytime running lights, and automatic activation. Active Cruise Control enhances your driving experience, while the electrically adjustable front seats, which have 8-way power adjustment plus 4-way lumbar support and two memory settings for the driver, ensure optimal comfort. Front and rear parking sensors, complete with a graphical display on the central digital cluster, make parking effortless. The keyless entry and keyless go function add convenience to your daily journeys. With the Levante V6, you can go from 0 to 62mph in just 6.0 seconds, demonstrating its superior acceleration compared to similar vehicles. The large boot space makes it ideal for families, long trips, or anyone needing to transport bulky items.
