Fuel:

**Petrol Plug-in Hybrid**

With only 5959 miles on the clock, this 2023 Peugeot 408 is practically brand new. As a GT variant with the GT trim, this vehicle boasts a 1.6L Petrol Plug-in Hybrid Engine and meets Euro 6 emission standards. It has had only one owner. The interior features a multifunction full grain leather steering wheel with Admire Green stitching, chrome detailing, and GT badging, including a heated steering wheel for added comfort. Stay connected effortlessly with wireless Android Auto and Apple CarPlay, and enjoy enhanced safety with the Drive Assist Plus Pack, which includes Blind Spot Assistance and Adaptive Cruise Control. The Bluetooth Telephone Facility and PEUGEOT i-Connect Advanced system further enhance the driving experience with seamless connectivity. One of the key advantages of this vehicle is its large boot space, which makes it more practical than similar models. The car's advanced features and low mileage for its age combine to offer a compelling package.
