This is an Audi A6 Avant, a car first registered in 2023. It's the TDI S line variant, with the S line trim, powered by a 2.0L diesel engine and benefiting from a four-wheel-drive drivetrain. This vehicle has had only one owner. It comes equipped with electrically adjustable front seats, including a memory function for the driver's side, a light and rain sensor that automatically activates the headlights, and the Audi Smartphone Interface, which includes Android Auto and Apple CarPlay. You'll also appreciate the heated front seats and the Parking System Plus, which uses front and rear sensors to make parking easier. The A6 Avant stands out with its large boot space, making it ideal for families or anyone needing extra room for luggage or equipment. Furthermore, it accelerates from 0 to 62mph in just 7.6 seconds, demonstrating its responsive performance on the road.
