With only 9255 miles on the clock, this 2023 Renault Clio TCe Evolution is practically brand new. As a Clio Evolution, it combines style and practicality in a neat package. The 1.0L petrol engine meets Euro 6 emission standards, making it a responsible choice for the environment. Convenience is at your fingertips with the hands-free keycard, featuring a push-button start-stop function and keyless entry. Manoeuvring is made easy with rear parking sensors and parking assistance. Stay cool and comfortable with manual air conditioning. The full LED front and rear headlamps, complete with daytime running lights, ensure excellent visibility. The EASY LINK 7-inch touchscreen with navigation keeps you connected, offering Android Auto, Apple CarPlay, and Bluetooth compatibility. This Clio stands out with its impressive fuel economy of 53 mpg, meaning fewer trips to the petrol station compared to similar cars. The large boot space offers practicality, providing ample room for shopping, luggage, or whatever you need to transport. Furthermore, its low CO2 emissions mean you can drive with a clear conscience, knowing you're minimising your environmental impact compared to other vehicles in its class.
