color:

Mileage:

20004

Transmission:

Automatic

Price:

£25,758.00

Registration:

KX21LPU

Fuel:

Electric

With only one previous owner and very low mileage for its 2021 registration year, this Volvo XC40 P8 First Edition represents a rare find. As an all-electric, four-wheel drive vehicle, this First Edition trim XC40 boasts a 78 kWh battery, offering a manufacturer-quoted range of up to 250 miles when new. The convenience of charging at home is made possible with a full charge achievable in around 12 hours using a 7kW charger, while rapid public charging can replenish the battery from empty to 80% in as little as 40 minutes. Inside, you'll find a host of features designed for comfort and convenience, including a power driver seat with memory function for both the seat and exterior mirrors, two-zone electronic climate control with a cooled glovebox and rear air vents, heated front seats, rear park assist, and wireless inductive mobile phone charging. The Volvo XC40 P8 First Edition stands out with its impressive acceleration, reaching 0-60mph in just 4.7 seconds, demonstrating its performance capabilities. The spacious boot provides ample room for luggage, shopping, or anything else you need to transport. This combination of electric power, all-wheel drive capability, and premium features makes this Volvo XC40 a compelling choice for those seeking a modern and practical vehicle.
