LB22MVG

Fuel:

Electric

With only one previous owner, this 2022 Porsche Taycan Performance Plus is an exceptional find. As an all-electric vehicle, this Taycan combines Porsche's renowned performance with modern technology. The vehicle boasts several desirable features, including 21in Alloy Wheels in Taycan Exclusive Design, automatic headlight activation with Welcome Home Lighting, and wireless phone charging conveniently located in the centre console storage compartment. The inclusion of Porsche Connect with Apple CarPlay ensures seamless smartphone integration, while the fixed glass panoramic roof enhances the driving experience with its bright and open feel. The Taycan's 93 kWh battery provides a maximum range of 305 miles when new. Charging at home using a 7kW charger takes approximately 13 hours and 30 minutes, while rapid public charging can replenish the battery from empty to 80% in as little as 24 minutes. The impressive acceleration, reaching 0-62mph in just 5.4 seconds, demonstrates how this vehicle delivers thrilling performance.
