color:		Mileage:	30457
Transmission:	Automatic	Price:	£25,058.00
Registration:	LF71VYC	Fuel:	Electric

With only one previous owner and low mileage of just 30457 miles for a 2021 registration car, this Tesla Model 3 Performance is a superb example of this impressive all-electric vehicle. The car is a Performance variant with four-wheel drive. It boasts heated front seats and two-zone climate control, including climate control, for optimal comfort. Parking is made easy with front parking sensors and a park assist camera, including front camera parking assistance. The LED headlights provide excellent visibility. The Tesla Model 3 Performance has a large boot space. The 82 kWh battery provides a maximum range of 340 miles when new. Charging at home using a 7kW charger takes around 12 hours, while the fastest public charging time from empty to 80% is just 26 minutes. The phenomenal acceleration, achieving 0-60mph in just 3.1 seconds, demonstrates how this vehicle outperforms its rivals.
