Fuel:

Petrol Plug-in Hybrid

With only one previous owner, this 2022 Audi A3 TFSIe S line is a superb example of a modern plug-in hybrid. The vehicle combines a 1.4L petrol engine with electric power, meeting Euro 6 emission standards. As an S line trim, this A3 boasts a sporty edge alongside its efficient performance. The car is equipped with several features that enhance the driving experience. Dual-zone electronic climate control ensures comfort for both driver and passengers, while the Audi Smartphone Interface, including Apple CarPlay, provides seamless connectivity. The light and rain sensor, with automatic headlights, adds convenience and safety. Rear parking sensors make maneuvering easier, and the Bluetooth interface allows for hands-free communication. These features show how this particular vehicle provides a blend of technology and comfort that sets it apart from other similar models.
